HOUSTON OFFICIAL A BRYAN GUEST

Mr. E. E. Sands, City Engineer of Houston, Will Be Guest Tonight of the City Council.

Mr. E. E. Sands, city engineer of Houston, arrived in the city at 1:35 this afternoon and will be the guest this afternoon and tonight of the Bryan City Council. Mr. Sands comes to Bryan at the invitation of City Engineer A. S. Adams and his visit is for the purpose of demonstrating civic improvements.

A banquet at the Hotel Bryan has been arranged for him this evening at 6 o'clock, when he will deliver a few remarks to the City Council of Bryan. He will leave, escorted by the members of the Council, at 7:15 for A. & M. College, where he is scheduled to deliver an illustrated lecture at the engineering building, starting at 7:45.

Judge J. W. Doremus, city attorney, will introduce the distinguished visitor at the luncheon at Hotel Bryan.

City Engineer Adams, in conversation with a reporter this morning, said: "Every enterprising business man and citizen of Bryan should hear this lecture tonight at the College, as Mr. Sands has spent years of study on the subject of civic improvement and is nationally recognized as a leader in this line of work."

All those who desire to attend the lecture are requested to catch the 7:15 car at the Interurban station.

BAPTIST ACADEMY FINAL EXERCISES

Splendid Commencement Address by Dr. Hardy—Diplomas and Medals Awarded.

The closing exercises of the Bryan Baptist Academy, with the awarding of diplomas by Dr. M. E. Weaver, president of the Academy, and the commencement address by Dr. Hardy, president of Baylor Female College, took place this morning at 10 o'clock at the opera house.

Two splendid numbers by the popular B. B. A. Glee Club opened the program, after which the speaker of the day, Dr. Hardy, was formally introduced by Rev. M. E. Weaver. The audience heard with increasing interest throughout Dr. Hardy's beautiful, practical and inspiring address on "Duties, Obligations and Service Versus Rights, Privileges and Immunities." His words of advice and helpful suggestions to the members of the senior class of B. B. A. were given with loving interest, and were not only appreciated by the young men and young women who on that occasion received their diplomas of graduation, but were equally enjoyed by the entire audience.

At the close of Dr. Hardy's address diplomas were awarded by the president of the Academy to Miss Orlean Williams, Miss Vivian Showers, Miss Gussie Kurten, Gainer Jones and Jesse Watson.

The following medals and scholarships were also awarded:

Senior scholarship at Baylor University, Jesse Watson.

Oratorical medal, awarded annually ham, Miss Soleta Sanders.

Miss Sara Williams and Miss Agnes by Mr. and Mrs. E. J. Fountain, Jesse Watson.

Scholarship at Baylor Female College, Miss Gussie Kurten.

Medal for highest grade in music, given annually by Mrs. D. D. East-Umland, who were barred from competition for the medal because of other classes, were called to the stage and given honorable mention by Prof. Nearing, director of the music department.

Medal for highest average in mathematics, given annually by Mr. and Mrs. H. O. Boatwright, Leroy Johnson of Pasadena.

Medal for highest general average in school in all classes, given annually by Mr. Eugene Edge, LeRoy Johnson of Pasadena.

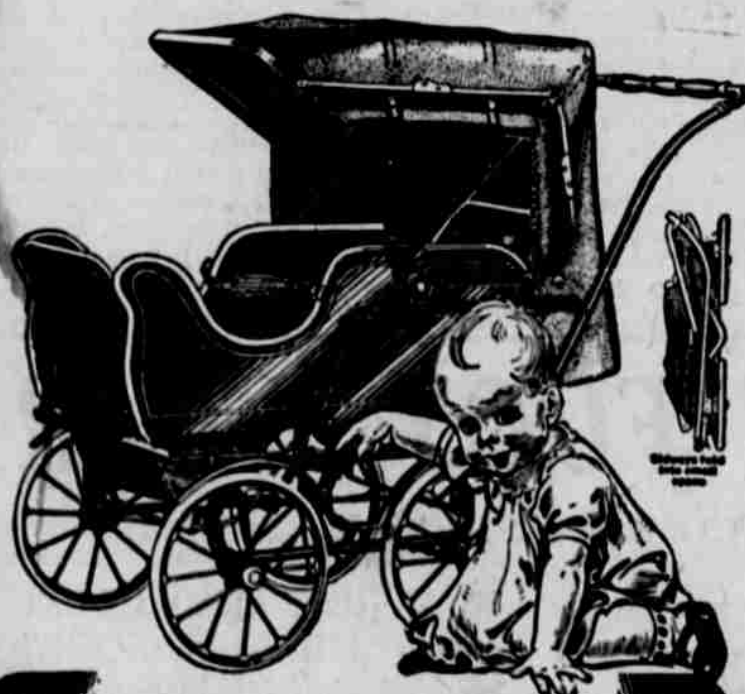

After a few appropriate remarks by A. W. Buchanan, president of the board of trustees, the audience was dismissed. Thus came to a brilliant and successful closing another splendid school year at Bryan Baptist Academy.

You Adjust Sidway Springs as I Gain Weight

The spring which supports the two-months old infant is too light for the baby of eighteen months. The heavier child is jolted and jarred by the easy swing that is just right for the smaller baby. The springs of

Sidway

Collapsible Baby Carriages

can be instantly adjusted to the weight of any baby. You can do it with two fingers. This feature of the Sidway is exclusive. Here are some other fine points of the Sidway—Mother handles it with ease at curbs. Large enough, wide enough for crib, but folds into very small space. Fabrikoid tops made by Dupont Fabrikoid Company of Wilmington, Del.; keep out rain, sun, snow, cold, make baby snug and warm. Best workmanship, materials, finish. Built like an automobile.

Buy a Sidway and you'll buy quality, strength and comfort for baby. The Sidway means spine protection and freedom from jars, jolts and sudden bumps. Come in and see our large selection. Prices for all purposes.
